To: All Prospective Bidders

Re: GD 17-25R  
Exterior and Restroom Improvements at Eastown and Westown Transit Centers  
Addendum No. 2

Please be aware of the following information regarding the above mentioned procurement.

A pre-bid conference was held January 9, 2018 at 10:00 A.M. at Wright Stop Plaza. Procurement representative Joe Swisshelm opened the meeting at 10:00 A.M. Also in attendance for RTA was Bob Ruzinsky, Chief Capital Officer, and John Cummiskey, RTA consultant. Joe went over the pertinent items from the procurement department which included mentioning that there is a 15% DBE goal for the project. There were no questions on the procurement items and the meeting was turned over to David Bowden from DG3, the architects for the project.

There were only two items discussed. Item one was a question as to if there was still an allowance for lighting and the answer was yes, \$25,000. The other item brought forth involved paving and stripping and it was noted that there is less paving and stripping this time then there was when the project was out for bid a few months ago.

Also see attached sign in sheet from the pre-bid meeting.

This Addendum No. 2 shall become a part of the contract document and scope of work and shall be taken into consideration when preparing your bid; you are hereby notified accordingly.

Sincerely,

*Joe Swisshelm*

Joe Swisshelm, C.P.M.  
Senior Purchasing Agent
