Re: GD 18-17
Purchase of Steel Strain Poles
Addendum No. 1

Please be aware of the following information regarding the above mentioned procurement.

The following question has been submitted:

Question: Is Millerbernd considered equal to the Union Metal specified product? As you may remember, we did supply the poles for last years' contract. Additionally, I'd like to confirm Millerbond would be acceptable as well. That is Millerbernd's preferred choice of coating, and comes with a 5-year standard warranty. We would be able to color match the Sherwin Williams color specified

Answer: Yes Millerbernd and Millerbond are considered equal. We went through the approval process last year.

This Addendum No.1 shall become a part of the contract document and scope of work and shall be taken into consideration when preparing your bid; you are hereby notified accordingly.

Sincerely,

Joe Swisshelm
