Re: GD 19-10  
Roof Replacement at 901 Bldg., Patterson and Wyoming Substations  
Addendum No. 5

Please be aware of the following information regarding the above mentioned procurement.

The following question has been presented:

**Question:** Is 1 “start acceptable for the start on the taper?”

**Answer:** Any taper is acceptable if sufficient to allow for the draining of any water that could collect on the roof

This Addendum No. 5 shall become a part of the contract document and scope of work and shall be taken into consideration when preparing your bid; you are hereby notified accordingly.

Sincerely,

*Joe Swisshelm*
