Re: Addendum No. 2
CIFB 20-25
Hydro Excavation Services

Please be advised of the following information regarding the above mentioned procurement.

Question: Bonding companies don't like five year bonds. Would a renewable two year bond work?

Answer: A two year renewable bond would be acceptable. At the expiration of the two years the awarded vendor is required to provide the updated bond to Greater Dayton RTA. The electronic copy of bid package is located on our website at <http://proc.greaterdaytonrta.org>.

Proposals are due no later than 2:00 p.m., December 04, 2020.

This Addendum No. 2 shall become a part of the contract document and specifications and shall be taken into consideration when preparing your proposal; you are hereby notified accordingly.

Sincerely,

Angela Meade
