Re: RFQ 22-16
Hazardous & Non-Hazardous Waste Removal
Addendum No. 2

Please be aware of the following information regarding the above-mentioned procurement.

A site visit was held on Wednesday, May 11, 2022 at 2:00pm in the 600 building at 600 Longworth Street, Dayton, OH 45402. Two (2) questions were raised, see below).

Please note, bids are due May 19, 2022 by 2:00 P.M.

Question: Can I get the profiles for your paint waste that you are generating please? It sounds like it's currently being shipped for incineration but the way its currently profiled will allow me to see if we could utilize other options for it..

Response: *Profile for paint waste will be sent out on Monday.*

Question: Can I please get the SDS sheets for the DEF and the floor cleaner?

Response: *See attached SDS sheets.*

This Addendum No. 2 shall become a part of the contract document and scope of work and shall be taken into consideration when preparing your bid; you are hereby notified accordingly.

Ruth Reed,
Senior Purchasing Agent
