Re: Addendum No. 1  
RFQ 22-31  
Fire Extinguisher Services

Please be advised of the following information regarding the above mentioned procurement.

Under Specifications, the below is to be added to include the Paint Booth COS System:

**PAINT BOOTH**

RTA's has a paint booth for painting vehicles and/or parts as needed. It is approximately 60' long and 20' wide and is equipped with a Carbon Dioxide (CO<sub>2</sub>) fire suppression system which is monitored and controlled by an Ansul 442R panel. The system contains three (3) – 277 lb (Full), 177lb (Empty) tanks. **This system is to be inspected and maintained in accordance with the most current NFPA 30 and NFPA 33, the State of Ohio Unified Fire Code, or any other current local requirement.**

Please see the attached “**Revised**” Fire Extinguisher Services Quote Form – **Attachment A**. Updated to include Paint Booth COS System.

**Quotes are due no later than 2:00 p.m., August 16, 2022.**

This Addendum No. 1 shall become a part of the contract document and specifications and shall be taken into consideration when preparing your proposal; you are hereby notified accordingly.

Sincerely,

*Angela Meade*
