**AWARD:** Award will be based on the lowest quote received from responsive and reasonable bidders as determined by the RTA. The successful vendor(s) will receive a STANDARD purchase order in accordance with the effective date stated in this Request for Quotation. No written notification of the award will be sent.

The RTA has the right to make the award(s) on the basis of each individual item or any combination of items, or in the aggregate of all items.

**All bidders shall submit drawings for items quoted along with lead-times**

**INDEMNIFICATION:** The successful Contractor shall indemnify and save harmless RTA, its trustees, officers and employees from and against all loss, costs, liability, damage and expense whether direct, consequential or incidental, for personal injury and for property damage; and for such loss, costs, liability, damage and expense arising out of, or resulting in whole or in part, directly or indirectly, from work or operations under the contract but not limited to the acts, errors, omissions and negligence of Contractor's employees and agents, except to the extent of liability imposed due to RTA's own negligence.

**NON-WAIVER BY ACCEPTANCE OF PAYMENT:** Neither the acceptance by the RTA of any services, the payment by the RTA for any services, nor both acceptance and payment, shall be deemed to waive, compromise, or affect in any manner the liability of the Contractor for any breach of contract, of warranty or of both contract and warranty.

**QUANTITIES:** All quantities are estimated. No guarantee is made or implied as to the minimum or maximum quantities that may be ordered during the stipulated order period.

**PAYMENT TERMS:** Payments will be net 30 days after receipt of an invoice. Payment for services shall be at the quoted price.

**PRICES:** The prices quoted shall be "FIRM" for the term of the contract.

**SHIPPING:** All products ordered will be shipped FOB Destination. All shipping costs incurred will be at the successful bidder's expense.

**SUBMITTAL OF QUOTE:** The RTA reserves the right, as the interest of the RTA requires, to postpone, accept or reject any and all quotes and to waive any informality in the quotes received.

A quote may be withdrawn by email, personal, or written, request received from the bidder prior to the scheduled due/opening date. No quote may be withdrawn for a period of 60 days after the due/opening date.

**TAX-EXEMPT:** The RTA is exempt from payment of all taxes, and taxes must not be included in the quoted price. Necessary exemption certificates shall be furnished to the successful bidder upon request.

**TERMINATION OF ORDER FOR CAUSE (IN EXCESS OF \$10,000):** If, through any cause, the Contractor shall fail to perform fully, timely and in a proper manner its obligation under this order, or if the Contractor shall breach any of the covenants, conditions or agreements contained in the order, the RTA shall thereafter have the right to terminate this order by giving notice in writing which shall specify the effective date thereof, to the Contractor of such termination. In such event, any product delivered and/or installed by the Contractor under this order shall, at the option of the RTA, become the RTA's property; then the Contractor shall be entitled to receive just and equitable compensation thereof, that is agreeable to both parties. In the event of a termination pursuant to this clause, the RTA may elect instead to remove any product delivered and/or installed and redeliver the same to the Contractor, all at the Contractor's sole expense, including reasonable charges for any time and/or labor expended by the RTA employees.

Notwithstanding the above, the Contractor shall not be relieved of any liability to the RTA for damages sustained by the RTA by virtue of any breach of order or warranty or of both, by the Contractor for the purpose of setoff and/or recoupment until such time as the exact amount of damages due the RTA from the Contractor is determined.

**TERMINATION FOR CONVENIENCE OF THE AUTHORITY (IN EXCESS OF \$10,000):** The RTA may terminate this order at any time by a notice in writing, which shall specify the effective date thereof, from the RTA to the Contractor, at least 15 days before the effective date of such termination. In that event, any goods accepted by the RTA prior to the effective date of the termination shall become the RTA's property and the Contractor shall be entitled to receive just and equitable compensation therefore and for any services accepted by the RTA prior to the effective date of termination; provided, nevertheless, that the amount of the total order price is properly attributable to the goods and/or services accepted.

**WARRANTY:** A standard manufacturer's warranty shall be provided for parts and materials required for repairs.
